

# Template Week 7 – Host your website on GitHub

Student number: 572750

**Domain name (URL) of your website on GitHub:**

<https://davinmeijerink.github.io/ITFundDavin.github.io/>

**Relevant screenshots + motivation:**

The screenshot displays the GitHub interface for the repository `ITFundDavin.github.io`. The repository is public and has 1 branch and 0 tags. The file list shows the following structure:

File/Folder	Description	Time
css	Site files upload	14 minutes ago
pdf	Site files upload	14 minutes ago
home.html	Update home.html	6 minutes ago
index.html	Site files upload	14 minutes ago
week1.html	Site files upload	14 minutes ago
week2.html	Site files upload	14 minutes ago
week3.html	Site files upload	14 minutes ago
week4.html	Site files upload	14 minutes ago
week5.html	Site files upload	14 minutes ago
week6.html	Site files upload	14 minutes ago
week7.html	Site files upload	14 minutes ago

The README section is currently empty, with a button labeled "Add a README".

On the right side, the repository details are shown:

- About:** IT Fundamentals Site van Davin Meijerink. Link: [ITFundDavin.github.io](https://ITFundDavin.github.io)
- Activity:** 0 stars, 1 watching, 0 forks
- Releases:** No releases published. Link: [Create a new release](#)
- Packages:** No packages published. Link: [Publish your first package](#)
- Deployments:** 2 deployments. Latest: `github-pages` 5 minutes ago.
- Languages:** A bar chart showing the language distribution: HTML (81.2%) and CSS (18.8%).

Files uploaded to github

The screenshot shows the GitHub Pages settings for a repository named 'IT Fundamentals'. The left sidebar contains navigation links for General, Access, Code and automation, Security, and Integrations. The 'General' tab is active, displaying the site's live URL and deployment status. The 'Build and deployment' section shows the source is set to the 'main' branch. The 'Custom domain' section is empty. The 'Enforce HTTPS' checkbox is checked, and the 'Visibility' section shows the site is publicly visible.

Deployed site (messed up the name a bit)
